## ARTICLE II PROPERTY RIGHTS

Section 1. Owner's Easements of Enjoyment. Every Owner shall have a right and easement of enjoyment in and to the Common Areas which shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

- (a) the right of the Association to charge reasonable admission and other fees for the use of any recreational facility situated upon the Common Areas, and the right, by adoption of rules, to restrict the types of uses and activities upon the Common Area;
- (b) the right of the Association to suspend the voting rights and right to the use of the recreational facilities by an Owner for any period during which any assessments against his Lot remains unpaid; and for a period not to exceed 30 days for any

infraction of its published rules and regulations after hearing by the Board of Directors of the Association;

- (c) the right of the Association to dedicate or transfer all or any part of the Common Areas or Bike Lanes to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the Class B members. At such time as the Class B membership ceases in accordance with Section 2 of Article III hereof, no further dedication or transfer by the Association of any part of the Common Areas or Bike Lanes to any public agency, authority or utility shall be effective unless an instrument signed by two-thirds (2/3) of the Class A members agreeing to such dedication or transfer has been recorded.

Section 2. Delegation of Use. Any Owner may delegate, in accordance with the Bylaws, his right of enjoyment to the Common Areas and facilities to the members of his family, his tenants or contract purchasers who reside on the property.

Section 3. Additions to Common Areas. The Developer reserves the right, so long as Class B members of the Association exist, to convey and transfer to the Association such additional real and/or personal property as the Developer within its sole discretion deems appropriate, and the Association shall accept such transfer and shall hold such property as part of the Common Areas of the Subdivision.

Section 4. Title to the Common Areas; Maintenance of Bike Lanes. The Developer may retain the legal title to the Common Areas until such time as it has completed such improvements thereon as it may elect to make and until such time as, in the opinion of the Developer, the Association is able to maintain the same but, notwithstanding any provision herein, the Developer hereby covenants, for itself, its successors and assigns, that it shall convey the Common Areas to the Association not sooner than January 1, 2003. Upon receipt of title to the Common Areas from the Developer hereunder, the Association shall become and remain responsible for the regular and ongoing care, preservation, supervision, improvements and maintenance of the Common Areas and the Bike Lanes, unless and until the Association shall dedicate or transfer all or any part of the Common Areas or Bike Lanes pursuant to Article II, Section 1(c) of these Restrictions.

Section 5. Use of Common Area Ponds. No motorized vehicle or vessel shall access or use at any time the Ponds, as defined in Article VIII, contained in the Common Areas, except the Developer or the Association for the purpose of maintenance, upkeep and/or repair of said Ponds.

### ARTICLE III ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

Section 1. Every Owner of a Lot shall be a member of the Association. Membership shall be appurtenant to and may not be separated from Ownership of any Lot which is subject to assessment.

The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any one Lot.

Class B. Class B member(s) shall be Twin Eagles, LLC, and such member(s) shall be entitled to three votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

- (b) on December 31, 2011.

### ARTICLE IV COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot, excepting Twin Eagles, LLC, and any residential contractor licensed in Allen County, Indiana as such and who holds title to a Lot for the sole purpose of constructing a Dwelling Unit on said Lot but not residing thereon, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) Annual Assessments or charges, (2) Special Assessments for capital improvements, (3) Tax Recoupment Assessments, and (4) Pool, Parking Lot and Tennis Court Construction Assessment (collectively, the "Assessments"); such assessments to be established and collected as hereinafter provided. Any assessments or any installments thereof which are not paid when due shall bear interest at a fluctuating rate equal to the maximum rate of interest which may be charged under the laws of the State of Indiana for consumer loans, adjusted on the first day of each calendar year. If any Owner shall fail, refuse or neglect to make any payment of any Assessment when due, the Board

of Directors of the Association, or the Developer, where appropriate, may, in its discretion, declare the entire balance of unpaid Assessments to be due and payable, with interest as aforesaid, and file a written Notice of Lien against said Owner's Lot in the office of the Recorder of Allen County, Indiana, which Notice of Lien shall perfect the lien of the Association and have the same force and effect as, and be enforced in the same manner as, a mortgage lien under Indiana law, and shall include attorney fees, title expenses, interest and any costs of collection.

Section 2. Purpose of Annual Assessments. The Annual Assessments levied by the Association hereunder shall be exclusively for the regular and ongoing care, preservation, supervision, improvement, and maintenance of the landscape easement area as provided in Article VI, Section 32, the Bike Lanes and of the Common Areas and the improvements situated thereon, including, but not limited to, (i) any Common Area incorporating a pool, parking lot and tennis court; (ii) the payment of taxes on and insurance in connection with the Common Areas and the repair, replacement and making of additions thereto; (iii) paying the cost of labor, equipment (including the expense of leasing any equipment) and materials required for, and management, supervision, maintenance and repair of, the Common Areas; (iv) carrying out the duties of the Board of Directors of the Association as set forth in Article VI hereof; and (v) carrying out the purposes of the Association as stated in its Articles of Incorporation.

Section 3. Basis and Amount of Annual Assessments.

- (a) Until the year beginning January 1, 2003, there shall be no Annual Assessment under this Article IV.
- (b) Commencing with the year beginning January 1, 2003, and each year thereafter, the Board of Directors, at its annual meeting immediately following the aforementioned January 1, 2003, or the Developer prior to the formation of the Association, and each January 1 thereafter, shall set the amount of the Annual Assessment for the following year for each Lot, taking into consideration the current maintenance costs and future needs of the Association. The Annual Assessment may be increased each year not more than 15% above the Annual Assessment for the previous year without a vote of the membership. Any increase of the Annual Assessment above 15% from the previous assessment year shall be subject to the affirmative vote or written assent of 51% of all Lot Owners.

Section 4. Special Assessments for Capital Improvements. In addition to the Annual Assessments authorized above, the Association may levy, in any assessment year, a Special Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of construction, repair or replacement of a capital improvement upon the Common Areas, including fixtures and personal property related thereto, provided that any such Assessment shall have the vote or written assent of 51% of all Lot Owners.

Section 5. Pool, Parking Lot and Tennis Court Construction Assessments. In addition to the Annual Assessment authorized in Sections 2 and 3 and the Special Assessments for capital improvements authorized in Section 4 hereof, the Developer may levy a special, onetime

Assessment for the purpose of defraying, in whole or in part, the cost of construction of a pool, parking lot and tennis court to be included as part of the Common Areas as defined herein (the "Pool, Parking Lot and Tennis Court Construction Assessment"). The Developer may levy the Pool, Parking Lot and Tennis Court Construction Assessment at any time prior to its conveyance to the Association of portions of the Common Area incorporating said pool, parking lot and tennis court. Should Developer not recoup the entire cost of construction of the Pool, Parking Lot and Tennis Court prior to conveying this portion of the Common Area to the Association, the unpaid portion of Developer's cost of construction shall be paid by the Association pursuant to Section 10 of this Article IV. Notwithstanding the foregoing, nothing herein requires or obligates the Developer to construct a pool, parking lot and tennis court within the Subdivision or the Properties.

Section 6. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Any action authorized under Sections 3, 4 or 5 and requiring a vote or written assent of a certain percentage of the Association membership shall be taken at a meeting called for that purpose, written notice of which shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. If the proposed action is favored by a majority of the votes cast at such meeting, but such vote is less than the requisite 51% of all Lot Owners, Lot Owners who were not present in person or by proxy may give their assent in writing, provided the same is obtained by the appropriate officers of the Association not later than 30 days from the date of such meeting.

Section 7. Uniform Rate of Assessment. Assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly, quarterly or yearly basis.

Section 8. Date of Commencement of Annual Assessments: Due Dates. The Assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Areas by the Developer to the Association, subject to the Developer's authority to level a Special Assessment pursuant to Section 5 above. The first Annual Assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the Annual Assessment, or any other Assessment, against each Lot at least 30 days in advance of each Assessment period. Written notice of an Assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the Assessments on a specified Lot have been paid.

Section 9. Tax Recoupment Assessments. In addition to all other Assessments provided for in this Article IV, the Association may levy in any assessment year an assessment ("Tax Recoupment Assessment") applicable to that year only for the purpose of defraying, in whole or in part, any cost or expense incurred by the Association in the form of a tax and/or penalty and/or interest on a tax imposed upon, assumed by, or assessed against the Association or its Properties, and arising out of or in any way related to the acceptance of title to, the ownership of, and/or operation or maintenance of any plant or equipment (including utility lines, lifting stations and other property) for the transmission, delivery or furnishing of water, or for the

collection, transmission and disposal of liquid and solid waste and sewage, and/or the ownership of any real estate or easements or other rights with respect to real estate owned and/or possessed in connection with such plant or equipment.

Section 10. Reimbursement of Developer's Construction Cost Following Common Area Conveyance to Association. Should Developer fail to recoup the entire cost of the construction of the Pool, Parking Lot and Tennis Court pursuant to Section 5 of this Article IV prior to conveying such Common Area to the Association, a portion of all Assessments, both Annual and Special, collected by the Association shall be forthwith paid by the Association to the Developer to reimburse Developer for all costs incurred by Developer in the construction of the Pool, Parking Lot and Tennis Court. The Association shall pay Developer said portion of all Assessments until such time as Developer has recouped the entire cost of the construction of the Pool, Parking Lot and Tennis Court. The Association shall rely upon a certificate executed and delivered by Developer setting forth the total cost of construction, what portion of the total cost was recouped by Developer pursuant to Section 5, and the unpaid portion of the cost of construction to be paid hereunder. The portion of each Assessment to be paid to Developer hereunder shall be a minimum of 20% of the total Assessment. Association shall pay Developer in full all the construction costs payable hereunder no later than January 1, 2007.

Section 11. Improvement and Maintenance of Other Common Areas Prior to Conveyance to the Association. Excluding the Common Area incorporating a Pool, Parking Lot and Tennis Court and the cost of the construction thereof referenced in Section 5 and Section 10 above, until such time as the Developer has conveyed all of the Common Areas to the Association (and thereafter as additional Common Areas are added hereunder and not conveyed to the Association) and/or dedicated all the streets containing the Bike Lanes to the appropriate public agency, authority or utility, the Developer shall have, at its election, the sole responsibility and duty of improving and maintaining the Common Areas and Bike Lanes (or such portion thereof that has not been conveyed to the Association), including, without limitation, the payment of taxes on and insurance in connection with the Common Areas (or such portion thereof that has not been conveyed to the Association) and the cost of repairs, replacements and additions thereto, and for paying the cost of labor, equipment (including the expense of leasing any equipment) and materials required for, and management and supervision of, the Common Areas and Bike Lanes. In this regard, and during such period, all Assessments, both Annual and Special, collected by the Association shall be forthwith paid by the Association to the Developer, to the extent that such Assessments are required by the Developer to improve and maintain the Common Areas and Bike Lanes as set forth in this paragraph. The Association shall rely upon a certificate executed and delivered by the Developer with respect to the amount required by the Developer to improve and maintain the Common Areas and Bike Lanes hereunder. Any sums required by the Developer to improve and maintain the Common Areas and Bike Lanes, in excess of the Assessments collected by the Association, shall be borne and paid exclusively by the Developer.

Section 12. Effect of Nonpayment of Assessments; Remedies of the Association. Any Assessment not paid within 30 days after the due date shall bear interest from the due date as provided in Section 1 of this Article IV. The Association may bring an action at law against the

Owner personally obligated to pay the same; may foreclose the lien against the property in accordance with the provisions of Section 1 of this Article IV; or may do both. No Owner may waive or otherwise escape personal liability for the Assessments provided for herein by non-use of the Common Areas or abandonment of his Lot.

Section 13. Subordination of the Lien to Mortgages. The lien of the Assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the Assessment lien. However, the sale or transfer of any Lot pursuant to a judgment and court order on a foreclosure of any first mortgage shall extinguish the lien of such Assessments as to payments which became due prior to such sale or transfer. No such sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof.

Section 14. Exempt Property. The following property subject to this Declaration shall be exempted from the Assessments, charges and liens created herein:

- (a) all properties dedicated and accepted by the local public authority and devoted to public use;
- (b) all Common Areas as defined in Article I hereof;
- (c) all areas reserved by the Developer on the recorded Plat of the Properties;
- (d) all Lots owned by the Developer;
- (e) all Lots owned by a residential contractor licensed in Allen County, Indiana as such and who holds title to a Lot for the purpose of constructing a Dwelling Unit on said Lot but not residing thereon.

#### ARTICLE V ARCHITECTURAL CONTROL

No building, shed, fence, wall, swimming pool or spa, or other structure shall be commenced, erected or maintained upon any Lot, nor shall any exterior addition to or change or alteration therein be made until two sets of plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Control Committee. The Committee's approval or disapproval as required in these covenants shall be in writing. No structure of any kind which does not comply fully with such approved plans shall be erected, constructed, placed or maintained upon any Lot, and no changes or deviations in or from such plans as approved shall be made without the Committee's prior written consent. Neither the Developer, the Committee, nor any member thereof, nor any of their respective heirs, personal representatives, successors or assigns, shall be liable to anyone by reason of any mistake in judgment, negligence, or nonfeasance arising out of or relating to the approval or disapproval or failure to approve any plans so submitted, nor shall

they, or any of them, be responsible or liable for any structural defects in such plans or in any building or structure erected according to such plans or any drainage problems resulting therefrom. Every person and entity who submits plans to the Committee agrees, by submission of such plans, that he or it will not bring any action or suit against the Committee or the Developer to recover any damages or to require the Committee or the Developer to take, or refrain from taking, any action whatever in regard to such plans or in regard to any building or structure erected in accordance therewith. Neither the submission of any complete sets of plans to the Developer's office for review by the Committee, nor the approval thereof by that Committee, shall be deemed to guarantee or require the actual construction of the building or structure therein described, and no adjacent Lot owner may claim any reliance upon the submission and/or approval of any such plans or the buildings or structures described therein.

Notwithstanding any provision to the contrary, at any time prior to the appointment by the Developer of the members of the Committee, the Developer shall have the exclusive right to waive any architectural restrictions set forth in these Restrictions, including, without limitation, the provisions included in Article VI of these Restrictions.

ARTICLE VI

- (c) care and preservation of the Bike Lanes and the striping associated therewith upon and after the dedication of the streets located in and servicing the Subdivision by the Developer to the appropriate public agency, authority or utility;

The Board of Directors shall have the following additional rights, powers and duties:

- (j) to execute all declarations of ownership for tax assessment purposes with regard to the Common Areas on behalf of all Owners;

- (m) to protect or defend the Common Areas from loss or damage by suit or otherwise, and to provide adequate reserves for replacements;
- (n) to make reasonable rules and regulations for the operation of the Common Areas and to amend them from time to time, provided that any rule or regulation may be amended or repealed by an instrument in writing signed by a majority of the members (without limiting the generality of the foregoing language, the rules and regulations may provide for limitations on use of the swimming pools or other common recreational areas during certain periods by youthful persons, visitors or otherwise);

The Board of Directors shall have the exclusive right to contract for all goods, services and insurance, payment for which is to be made by the Association, and the exclusive right and obligation to perform the functions of the Board of Directors, except as otherwise provided herein.

Section 3. Owner's Obligations to Repair. Except as otherwise provided elsewhere in this Declaration, each Owner shall, at his sole cost and expense, maintain and repair his Lot and the improvements situated thereon, keeping the same in good condition and repair. In the event that any Owner shall fail to maintain and repair his Lot and the improvements thereon as required hereunder, the Association, in addition to all other remedies available to it hereunder or by law, and without waiving any of said alternative remedies, shall have the right, through its agents and employees, to enter upon said Lot and to repair, maintain and restore the Lot and exterior of the buildings and any other improvements erected thereon; and each Owner (by acceptance of a deed for his Lot) hereby covenants and agrees to repay to the Association the cost thereof immediately upon demand, and the failure of any such Owner to pay the same shall carry with it the same consequences as the failure to pay any Assessment hereunder when due.

ARTICLE VII  
PROPERTY SUBJECT TO THIS DECLARATION:  
ADDITIONS THERETO

Section 1. Existing Property. The real property which is, and shall be, held, transferred, sold, conveyed, and occupied subject to this Declaration (hereinabove defined as the "Existing Property"), located in Allen County, State of Indiana, is described on Exhibit "A," attached hereto, and is designated Twin Eagles, Section I and more particularly described on a subdivision Plat (the "flat" hereafter) thereof recorded as Plat Record, Cabinet page, in the Office of the Recorder of Allen County, Indiana.

Section 2. Additions to Existing Property. If the Developer is the owner of any property which it desires to add to the concept of this Declaration, it may do so by filing of record a Supplementary Declaration of Covenants, Conditions and Restrictions, which shall

extend the concept of the covenants, conditions and restrictions of this Declaration to such property, PROVIDED, HOWEVER, that (i) such additional property shall be contiguous (as hereafter defined) to the Properties subject to this Declaration at the time, and (ii) such Supplementary Declaration may contain such complimentary additions and modifications of the covenants, conditions and restrictions contained in this Declaration as may be necessary to reflect the different character, if any, of the added properties and as are not inconsistent with the concept of this Declaration. In no event, however, shall such Supplemental Declaration modify or add to the covenants established by this Declaration for the Existing Property. Any additions made pursuant to this Section 2, when made, shall automatically extend the jurisdiction, functions, duties and membership of the Association to the properties added. For the purposes hereof, the term "contiguous" shall mean adjoining; provided, that any tracts or parcels of land which are separated by a street, road, sidewalk, right-of-way, easement or other thoroughfare shall be deemed to be contiguous.

ARTICLE VIII  
STORM WATER DETENTION SYSTEM  
POND MAINTENANCE ASSESSMENT AND  
STORM WATER MANAGEMENT EASEMENT

Section 1. Maintenance Obligation. The Association shall be obligated to maintain, repair and/or replace, as necessary, the storm water drainage system and the storm water detention system consisting of three (3) ponds (the "Ponds") shown on the Plat of the subdivision, together with outlets and water control structures, the cost of which shall be borne by all of the Lot Owners in Twin Eagles, Section I and subsequent Lot Owners in any and all additional Properties.

Section 2. STORM WATER MANAGEMENT EASEMENT. **THERE IS SHOWN ON THE PLAT A STORM WATER MANAGEMENT EASEMENT (THE "EASEMENT") FOR EACH LOT WHICH ADJOINS A POND. NO IMPROVEMENT OR STRUCTURE, TEMPORARY OR PERMANENT, SHALL BE ALLOWED WITHIN THE EASEMENT WITH THE EXCEPTION OF FOOT PATHS THROUGH ANY WOODED AREA OR THE INTRODUCTION OF ANY GREENSCAPE MATERIALS OR PLANTING OF LANDSCAPE MATERIALS APPROVED BY THE ARCHITECTURAL CONTROL COMMITTEE. FURTHER NO TREES WITH A DIAMETER OF TWELVE INCHES (12") LOCATED WITHIN THE EASEMENT SHALL BE REMOVED WITHOUT THE PRIOR WRITTEN APPROVAL OF THE ARCHITECTURAL CONTROL COMMITTEE.**

Section 3. Right to Enforce. The Owner of any Lot in this section, or any future sections, of Twin Eagles, Section I, and/or the Allen County Drainage Board, shall have the right to order the Association to carry out its obligation to maintain, repair and/or replace the Ponds and storm water detention system improvements, as above provided, and to assess the Owners of all Lots in this section and future sections of Twin Eagles with the cost thereof.

Section 4. Annual Assessment. Until the year beginning January 1, 2003, the Annual Assessment for Pond maintenance shall be \$25.00 per Lot. Commencing with the year beginning January 1, 2002, and each year thereafter, the Developer, if appropriate, or the Board of Directors of the Association, at its annual meeting next preceding, and each January 1 thereafter, shall set the amount of the Annual Assessment for the maintenance of the Ponds in addition to the regular annual maintenance fee for the Common Areas as set forth in Article IV, provided that the Annual Assessment for the Ponds under this Article VIII shall never be less than \$25.00.

Section 5. Amendment. Notwithstanding any provision to the contrary contained in this Article VIII, any alteration or amendment of this Article VIII must be made with the prior approval of the Allen County Plan Commission, and further that the Restrictions and Covenants contained in this Article VIII, and only as they relate to the storm water detention system and the maintenance and repair thereof, shall be in continuous effect for an indefinite period, except as amended with the prior approval of the Allen County Drainage Board.

Section 19. Individual Water Supply Systems for Irrigation. All such easements dedicated on the face of the plat shall be kept free of shrubbery, trees, or other installation thereon, whether temporary or permanent, shall be subject to the paramount right of the entities for which such easements are intended to benefit, to install, repair, maintain or place their utility or sewage facilities, and that the removal of any such obstructions by utilities or sewage treatment works shall in no way obligate them either in damages or to restore the obstruction to its original form, subject to Allen County Subdivision Control Ordinance 4-2-3-4(p)(4).

Section 21. Sanitary Sewer Restrictions. No rain and storm water runoff or such things as roof water, street pavement and surface water, caused by natural precipitation, shall at any time be discharged into or permitted to flow into the Sanitary Sewage System, which shall be a separate sewer system from Storm Water and Surface Water Runoff Sewer System. No sanitary sewage shall at any time be discharged or permitted to flow into the above-mentioned Storm Water and Surface Water Runoff Sewer System.

Section 27. Single Owner Continuous or Multiple Lots. Whenever two (2) or more Lots in the Subdivision shall be owned by the same person, contiguously situated or otherwise, such Owner shall be subject to and agree to pay to the Association for each Lot owned by said Owner all assessments and other charges collectible by the Association pursuant to Article IV of these Restrictions.

Any Owner of a Lot containing a swimming pool, hot tub or spa must cover said swimming pool, hot tub or spa with a cover that, at a minimum, will supersede any fencing required under the pertinent portions of the Allen County Zoning Ordinance.

Section 37. Enforceability. The Association, the Developer, and any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of these Restrictions. Failure by the Association, the Committee, the Developer, or by any Owner to enforce any Covenant or Restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 38. Partial Invalidation. Invalidation of any one of these Restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.

Section 39. Covenants, Restrictions and Extensions. The Covenants and Restrictions herein contained shall run with the land and be effective for a term of 20 years from the date these Restrictions are recorded, after which time they shall automatically be extended for successive periods of 10 years.
