- (a) the right of the Association to charge reasonable admission and other fees for the use of any recreational facility situated upon the Common Areas;
- (b) the right of the Association to suspend the voting rights and right to the use of the recreational facilities by an Owner for any period during which any assessments against his Lot remains unpaid; and for a period not to exceed 30 days for any infraction of its published rules and regulations after hearing by the Board of Directors of the Association;
- (c) the right of the Association to dedicate or transfer all or any part of the Common Areas to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the Class B members. At such time as the Class B membership ceases in accordance with Section 2 of Article III hereof, no further dedication or transfer by the Association of any part of the Common Areas to any public agency, authority or utility shall be effective unless an instrument signed by two-thirds (2/3) of the Class A members agreeing to such dedication or transfer has been recorded.

Section 2. Delegation of Use. Any Owner may delegate, in accordance with the Bylaws, his right of enjoyment to the Common Areas and facilities to the members of his family, his tenants or contract purchasers who reside on the property.

Section 3. Additions to Common Areas. The Developer reserves the right, so long as Class B members of the Association exist, to convey and transfer to the Association such additional real and/or personal property as the Developer within its sole discretion deems appropriate, and the Association shall accept such transfer and shall hold such property as part of the Common Areas of the Subdivision.

Section 4. Title to and Maintenance of the Common Areas. The Developer may retain the legal title to the Common Areas until such time as it has completed such improvements thereon as it may elect to make and until such time as, in the opinion of the Developer, the Association is able to maintain the same but, notwithstanding any provision herein, the Developer hereby covenants, for itself, its successors and assigns, that it shall convey the Common Areas to the Association not sooner than January 1, 2007. Upon receipt of title to the

Common Areas from the Developer hereunder, the Association shall become and remain responsible for the regular and ongoing care, preservation, supervision, improvements and maintenance of the Common Areas, unless and until the Association shall dedicate or transfer all or any part of the Common Areas pursuant to Article II, Section 1(c) of these Restrictions.

Section 5. Use of Common Area Ponds. No motorized vehicle or vessel shall access or use at any time any Pond, if any are shown and described on the Plat and contained in the Common Areas (the "Ponds"), except the Developer or the Association for the purpose of maintenance, upkeep and/or repair of said Ponds. No Owner shall place, construct or otherwise locate any pier, dock or other similar structure on, in or around any Pond, nor make, construct or otherwise add any improvements contiguous to any Pond, including, without limitation, the laying of rocks or landscaping, without receiving the approval of the Developer and/or the Architectural Control Committee pursuant to Article V prior to the commencement of any construction of said pier, dock, structure or improvements.

ARTICLE III ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

Section 1. Every Owner of a Lot shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment.

Section 2. The Association shall have two classes of voting memberships:

Class A. Class A members shall be all Owners of Lots in The Coves at Twin Eagles, Section I (except Twin Eagles Development, LLC) and such members shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any one Lot.

Class B. Class B member(s) shall be Twin Eagles Development, LLC, and such member(s) shall be entitled to three votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

- (b) on December 31, 2017.

ARTICLE IV COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot, excepting Twin Eagles Development, LLC, by acceptance of a deed therefor,

whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) Annual Assessments or charges, (2) Special Assessments for capital improvements, and (3) Tax Recoupment Assessments (collectively, the "Assessments"); such assessments to be established and collected as hereinafter provided. Any assessments or any installments thereof which are not paid when due shall bear interest at a fluctuating rate equal to the maximum rate of interest which may be charged under the laws of the State of Indiana for consumer loans, adjusted on the first day of each calendar year. If any Owner shall fail, refuse or neglect to make any payment of any Assessment when due, the Board of Directors of the Association, or the Developer, where appropriate, may, in its discretion, declare the entire balance of unpaid Assessments to be due and payable, with interest as aforesaid, and file a written Notice of Lien against said Owner's Lot in the office of the Recorder of Allen County, Indiana, which Notice of Lien shall perfect the lien of the Association and have the same force and effect as, and be enforced in the same manner as, a mortgage lien under Indiana law, and shall include attorney fees, title expenses, interest and any costs of collection.

Section 2. Purpose of Annual Assessments. The Annual Assessments levied by the Association hereunder shall be exclusively for the regular and ongoing care, preservation, supervision, improvement, and maintenance of the Common Areas and the improvements situated thereon, including, but not limited to, (i) the Common Area incorporating the pool, parking lot and tennis court; (ii) the payment of taxes on and insurance in connection with the Common Areas and the repair, replacement and making of additions thereto; (iii) paying the cost of labor, equipment (including the expense of leasing any equipment) and materials required for, and management, supervision, maintenance and repair of, the Common Areas; (iv) carrying out the duties of the Board of Directors of the Association as set forth in Article VI hereof; and (v) carrying out the purposes of the Association as stated in its Articles of Incorporation.

Section 3. Basis and Amount of Annual Assessments.

- (a) Until the year beginning January 1, 2007, there shall be no Annual Assessment under this Article IV.
- (b) Commencing with the year beginning January 1, 2007, and each year thereafter, the Board of Directors, at its annual meeting immediately following the aforementioned January 1, 2007, or the Developer prior to the formation of the Association, and each January 1 thereafter, shall set the amount of the Annual Assessment for the following year for each Lot, taking into consideration the current maintenance costs and future needs of the Association. The Annual Assessment may be increased each year not more than 15% above the Annual Assessment for the previous year without a vote of the membership. Any increase of the Annual Assessment above 15% from the previous assessment year shall be subject to the affirmative vote or written assent of a minimum of 51% of all members.

Section 4. Special Assessments for Capital Improvements. In addition to the Annual Assessments authorized above, the Association may levy, in any assessment year, Special

Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of construction, repair or replacement of a capital improvement upon the Common Areas, including fixtures and personal property related thereto, provided that any such Assessment shall have the vote or written assent of a minimum of 51% of all members.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Any action authorized under Section 3 or 4 and requiring a vote or written assent of a certain percentage of the Association membership shall be taken at a meeting called for that purpose, written notice of which shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. If the proposed action is favored by a majority of the votes cast at such meeting, but such vote is less than the requisite 51% of all members, members who were not present in person or by proxy may give their assent in writing, provided the same is obtained by the appropriate officers of the Association not later than 30 days from the date of such meeting.

Section 6. Uniform Rate of Assessment. Assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly, quarterly or yearly basis.

Section 7. Date of Commencement of Annual Assessments: Due Dates. The Assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Areas by the Developer to the Association. The first Annual Assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the Annual Assessment, or any other Assessment, against each Lot at least 30 days in advance of each Assessment period. Written notice of an Assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the Assessments on a specified Lot have been paid.

Section 8. Tax Recoupment Assessments. In addition to all other Assessments provided for in this Article IV, the Association may levy in any assessment year an assessment ("Tax Recoupment Assessment") applicable to that year only for the purpose of defraying, in whole or in part, any cost or expense incurred by the Association in the form of a tax and/or penalty and/or interest on a tax imposed upon, assumed by, or assessed against the Association or its Properties, and arising out of or in any way related to the acceptance of title to; the ownership of, and/or operation or maintenance of any plant or equipment (including utility lines, lifting stations and other property) for the transmission, delivery or furnishing of water, or for the collection, transmission and disposal of liquid and solid waste and sewage, and/or the ownership of any real estate or easements or other rights with respect to real estate owned and/or possessed in connection with such plant or equipment.

Section 9. Improvement and Maintenance of Other Common Areas Prior to Conveyance to the Association. Until such time as the Developer has conveyed all of the Common Areas to the Association (and thereafter as additional Common Areas are added hereunder and not conveyed to the Association) and/or dedicated all the streets to the appropriate

public agency, authority or utility, the Developer shall have, at its election, the sole responsibility and duty of improving and maintaining the Common Areas (or such portion thereof that has not been conveyed to the Association), including, without limitation, the payment of taxes on and insurance in connection with the Common Areas (or such portion thereof that has not been conveyed to the Association) and the cost of repairs, replacements and additions thereto, and for paying the cost of labor, equipment (including the expense of leasing any equipment) and materials required for, and management and supervision of, the Common Areas. In this regard, and during such period, all Assessments, both Annual and Special, collected by the Association shall be forthwith paid by the Association to the Developer, to the extent that such Assessments are required by the Developer to improve and maintain the Common Areas as set forth in this paragraph. The Association shall rely upon a certificate executed and delivered by the Developer with respect to the amount required by the Developer to improve and maintain the Common Areas hereunder. Any sums required by the Developer to improve and maintain the Common Areas, in excess of the Assessments collected by the Association, shall be borne and paid exclusively by the Developer.

Section 10. Effect of Nonpayment of Assessments; Remedies of the Association. Any Assessment not paid within 30 days after the due date shall bear interest from the due date as provided in Section 1 of this Article IV. The Association may bring an action at law against the Owner personally obligated to pay the same; may foreclose the lien against the property in accordance with the provisions of Section 1 of this Article IV; or may do both. No Owner may waive or otherwise escape personal liability for the Assessments provided for herein by non-use of the Common Areas or abandonment of his Lot.

Section 11. Subordination of the Lien to Mortgages. The lien of the Assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the Assessment lien. However, the sale or transfer of any Lot pursuant to a judgment and court order on a foreclosure of any first mortgage shall extinguish the lien of such Assessments as to payments which became due prior to such sale or transfer. No such sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof.

Section 12. Exempt Property. The following property subject to this Declaration shall be exempted from the Assessments, charges and liens created herein:

- (a) all properties dedicated and accepted by the local public authority and devoted to public use;
- (b) all Common Areas as defined in Article I hereof;
- (c) all areas reserved by the Developer on the recorded Plat of the Properties;
- (d) all Lots owned by the Developer;

- (e) all Lots owned by a residential contractor licensed in Allen County, Indiana as such and who holds title to a Lot for the purpose of constructing a Dwelling Unit on said Lot but not residing thereon.

ARTICLE V ARCHITECTURAL CONTROL

No building, shed, fence, wall, swimming pool or spa, or other structure shall be commenced, erected or maintained upon any Lot, nor shall any exterior addition to or change or alteration therein be made until two sets of plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Architectural Control Committee. The Committee's approval or disapproval as required in these covenants shall be in writing. No structure of any kind which does not comply fully with such approved plans shall be erected, constructed, placed or maintained upon any Lot, and no changes or deviations in or from such plans as approved shall be made without the Committee's prior written consent. Neither the Developer, the Committee, nor any member thereof, nor any of their respective heirs, personal representatives, successors or assigns, shall be liable to anyone by reason of any mistake in judgment, negligence, or nonfeasance arising out of or relating to the approval or disapproval or failure to approve any plans so submitted, nor shall they, or any of them, be responsible or liable for any structural defects in such plans or in any building or structure erected according to such plans or any drainage problems resulting therefrom. Every person and entity who submits plans to the Committee agrees, by submission of such plans, that he or it will not bring any action or suit against the Committee or the Developer to recover any damages or to require the Committee or the Developer to take, or refrain from taking, any action whatever in regard to such plans or in regard to any building or structure erected in accordance therewith. Neither the submission of any complete sets of plans to the Developer's office for review by the Committee, nor the approval thereof by that Committee, shall be deemed to guarantee or require the actual construction of the building or structure therein described, and no adjacent Lot Owner may claim any reliance upon the submission and/or approval of any such plans or the buildings or structures described therein.

Notwithstanding any provision to the contrary, at any time prior to the appointment by the Developer of the members of the Committee, the Developer shall have the exclusive right to waive any architectural restrictions set forth in these Restrictions, including, without limitation, the provisions included in Article VI of these Restrictions.

ARTICLE VI GENERAL POWERS AND DUTIES OF BOARD OF DIRECTORS OF THE ASSOCIATION

Section 1. Powers and Duties. The Board of Directors, for the benefit of the Properties and the Owner, shall provide, and shall pay for out of the Annual Assessment provided for in Article IV, Sections 1 and 2 above, the following:

The Board of Directors shall have the following additional rights, powers and duties:

(m) to protect or defend the Common Areas from loss or damage by suit or otherwise, and to provide adequate reserves for replacements;

(n) to make reasonable rules and regulations for the operation of the Common Areas and to amend them from time to time, provided that any rule or regulation may be amended or repealed by an instrument in writing signed by a majority of the members (without limiting the generality of the foregoing language, the rules and regulations may provide for limitations on use of the swimming pools or other common recreational areas during certain periods by youthful persons, visitors or otherwise);

Section 2. Board Powers, Exclusive. The Board of Directors shall have the exclusive right to contract for all goods, services and insurance, payment for which is to be made by the Association, and the exclusive right and obligation to perform the functions of the Board of Directors, except as otherwise provided herein.

Section 3. Owner's Obligations to Repair. Each Owner shall, at his sole cost and expense, maintain and repair his Lot and the improvements situated thereon, keeping the same in good condition and repair. In the event that any Owner shall fail to maintain and repair his Lot and the improvements thereon as required hereunder, the Association, in addition to all other remedies available to it hereunder or by law, and without waiving any of said alternative remedies, shall have the right, through its agents and employees, to enter upon said Lot and to repair, maintain and restore the Lot and exterior of the buildings and any other improvements erected thereon; and each Owner (by acceptance of a deed for his Lot) hereby covenants and agrees to repay to the Association the cost thereof immediately upon demand, and the failure of any such Owner to pay the same shall carry with it the same consequences as the failure to pay any Assessment hereunder when due.

ARTICLE VII
PROPERTY SUBJECT TO THIS DECLARATION:
ADDITIONS THERETO

Section 1. Existing Property. The real property which is, and shall be, held, transferred, sold, conveyed, and occupied subject to this Declaration (hereinafter defined as the "Existing Property"), located in Allen County, State of Indiana, is described on Exhibit "A" attached hereto, and is designated The Coves at Twin Eagles, Section I, and more particularly described on a subdivision Plat (the "Plat") thereof recorded as Plat Record _____, Cabinet _____, page _____, in the Office of the Recorder of Allen County, Indiana.

Section 2. Additions to Existing Property. If the Developer is the owner of any property which it desires to (a) add to the concept of The Coves at Twin Eagles, including, without limitation, future properties to be added as additional sections of The Coves at Twin Eagles, or (b) add to the concept of Twin Eagles contiguous to The Coves at Twin Eagles, Section I, but separate from The Coves at Twin Eagles, it may do so by filing of record a Supplemental Declaration of Covenants, Conditions and Restrictions, which shall extend the concept of the covenants, conditions and restrictions of this Declaration to such property, PROVIDED, HOWEVER, that (i) such additional property shall be contiguous (as hereafter defined) to the Properties subject to this Declaration at the time, and (ii) such Supplemental Declaration may contain such complimentary additions and modifications of the covenants, conditions and restrictions contained in this Declaration as may be necessary to reflect the different character, if any, of the added properties and as are not inconsistent with the concept of this Declaration. In no event, however, shall such Supplemental Declaration modify or add to the covenants established by this Declaration for the Existing Property. Any additions made and sections added by the Developer pursuant to this Section 2, when made, shall automatically become part of the membership of the Association, thereby extending the jurisdiction, functions, duties and membership of the Association to the sections and properties added. For the purposes hereof, the term "contiguous" shall mean adjoining; provided, that any tracts or parcels of land which are separated by a street, road, sidewalk, right-of-way, easement or other thoroughfare shall be deemed to be contiguous.

ARTICLE VIII
STORM WATER DETENTION SYSTEM
AND POND MAINTENANCE ASSESSMENT

Section 1. Maintenance Obligation. The Association shall be obligated to maintain, repair and/or replace, as necessary, the storm water drainage system and the storm water detention system contained in the Common Areas and shown on the Plat, together with outlets and water control structures, the cost of which shall be borne by all of the Owners in The Coves at Twin Eagles, Section I, and subsequent Owners of Lots in any and all additional Properties.

Section 2. Right to Enforce. The Owner of any Lot in this section, or any future sections, of The Coves at Twin Eagles, and/or the Allen County Drainage Board, shall have the right to order the Association to carry out its obligation to maintain, repair and/or replace the

Ponds and storm water detention system improvements, as above provided, and to assess the Owners of all Lots in this section and future sections of The Coves at Twin Eagles with the cost thereof.

Section 3. Annual Assessment. Until the year beginning January 1, 2007, the Annual Assessment for Pond maintenance shall be \$25.00 per Lot. Commencing with the year beginning January 1, 2007, and each year thereafter, the Developer, if appropriate, or the Board of Directors of the Association, at its annual meeting next preceding, and each January 1 thereafter, shall set the amount of the Annual Assessment for the maintenance of the Ponds in addition to the regular annual maintenance fee for the Common Areas as set forth in Article IV, provided that the Annual Assessment for the Ponds under this Article VIII shall never be less than \$25.00.

Section 4. Amendment. Notwithstanding any provision to the contrary contained in this Article VIII, any alteration or amendment of this Article VIII must be made with the prior approval of the Allen County Plan Commission, and further that the Restrictions and Covenants contained in this Article VIII, and only as they relate to the storm water detention system and the maintenance and repair thereof, shall be in continuous effect for an indefinite period, except as amended with the prior approval of the Allen County Drainage Board.

ARTICLE IX GENERAL PROVISIONS

Section 1. Residential Purposes. No Lot shall be used except for residential purposes. No building shall be erected, altered, placed or permitted to remain on any Lot other than one Dwelling Unit not to exceed two and one-half stories in height, including a garage attached thereto pursuant to Section 5 below.

Section 2. Home Occupations. No Lot shall be used for any purpose other than as a single-family residence, except that a home occupation, defined as follows, may be permitted: any use conducted entirely within the Dwelling Unit and participated in solely by a member of the immediate family residing in said Dwelling Unit, which use is clearly incidental and secondary to the use of the Dwelling Unit for dwelling purposes and does not change the character thereof and in connection with which there is: (a) no sign or display that indicates from the exterior that the Dwelling Unit is being utilized in whole or in part for any purpose other than that of a Dwelling Unit; (b) no commodity is sold upon the Lot; (c) no person is employed in such home occupation other than a member of the immediate family residing in the Dwelling Unit; and (d) no mechanical or electrical equipment is used; provided that, in no event shall a barber shop, styling salon, beauty parlor, tea room, fortune-telling parlor, licensed child care center or other licensed or regulated babysitting service, animal hospital, or any form of animal care or treatment such as dog trimming be construed as a home occupation.

Section 3. Building Sizes. No Dwelling Unit shall be built on any Lot having the living area of the main structure, exclusive of one-story open porches, breezeways or garages, of less than 2,000 square feet for a one-story Dwelling Unit, not less than 2,400 square feet for a Dwelling Unit of more than one story.

Section 4. Side Line and Front Line Setback Restrictions. No Dwelling Unit shall be located on any Lot nearer to the front Lot line or nearer to the side street line than the minimum building setback lines as shown on the recorded Plat. In any event, no Dwelling Unit shall be located nearer than a distance of seven (7) feet to an interior Lot line. No projection of any Dwelling Unit shall be permitted to extend into or encroach upon the space between said building line and the street adjacent thereto, except that the steps and platforms of the main door may extend over said line not to exceed five (5) feet. No Dwelling Unit shall be located on any of such Lots nearer than 25 feet to the rear Lot line, subject to Allen County Subdivision Control Ordinance 4-2-3-4(p)(4).

Section 5. Garages. All Dwelling Units must have a full-size, attached, three (3) car garage of at least 600 square feet, with all but a maximum of 200 square feet thereof, or the square footage equivalent of a one (1) bay garage, whichever is smaller, being end-loading. However, the Architectural Control Committee shall have the authority to approve any proposed garage not in compliance with the restrictions set forth in this Section 5, subject to and in accordance with Article V hereof.

Section 6. Utility and Drainage Easements. Easements for the installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded Plat. No Owner of any Lot shall erect or grant to any person, firm or corporation the right, license or privilege to erect or use or permit the use of overhead wires, poles or overhead facilities of any kind for electrical, telephone or television service (except such poles and overhead facilities enter and leave at those places where distribution facilities enter and leave the subdivision). Nothing herein shall be construed to prohibit street lighting or ornamental yard lighting serviced by underground wires or cables. Electrical service entrance facilities installed for any Dwelling Unit or other structure connecting the same to the electrical distribution system of any electric public utility shall be provided by the Owners of all Lots and shall carry not less than three wires and have a capacity of not less than 200 amperes. Any electric public utility charged with the maintenance of any underground installation shall have access to all easements in which said underground installations are located for operation, maintenance and replacement of service connections. Any such electric public utility shall not be liable for damage to walks, driveways, lawn or landscaping which may result from installation, repair or maintenance of such service.

Section 7. Surface Drainage. Surface Drainage Easements and Common Areas used for drainage purposes as shown on the Plat are intended for either periodic or occasional use as conductors for the flow of surface water runoff to a suitable outlet and the land surface shall be constructed and maintained so as to achieve this intention. Such easements shall be maintained in an unobstructed condition and the County Surveyor or a proper public authority having jurisdiction over storm drainage shall have the right to determine if any obstruction exists and to repair and maintain or to require such repair and maintenance as shall be reasonably necessary to keep the conductors unobstructed. In addition to the foregoing, the portion of Common Area designated as Block "S" on the Plat of The Bluffs at Twin Eagles, Section III, contains certain natural surface water drainage areas in which neither the Association, or any committee thereof, nor any Owner shall disturb or take any action that may otherwise impact the surface water drainage conductors or inhibit the surface water drainage to, in and through said area without

the prior written consent of the County Surveyor or other public authority having proper jurisdiction.

Section 8. Nuisances. No noxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

Section 9. Temporary Structures and Storage.
